# A LETTER FROM THE CLASS ADVISORS

Class of 2021, it is amazing how quickly these past four years have gone. While these past two years have been very difficult for us all, we are extremely grateful that we have been able to have prom and Senior Week activities to make the end of the year feel a bit more "normal." We want to thank the class for all your enthusiasm and school spirit during the past four years. Thank you to our class officers who have worked tirelessly for the Class of 2021. A huge thank you to our Senior Week parents who have gone above and beyond to make sure that our seniors end their high school experience in the best possible way. We cannot be more proud of the Class of 2021 and all that they have accomplished in these four years. We are excited to see what the future holds for each and every one of you!

**Congratulations and best of luck to the Class of 2021!**

**Miss Meyers and Ms. Rocha**

# A letter from the

# Principal

Dear SHS Students,

Recently, I went back and looked at my old high school yearbook. It was from 1997 (24 years ago!), the year that I graduated, and I reveled in all the high school memories. From my athletics teams, to being on the newspaper, each page was a flood of memories - some warm, and some bittersweet. One of the sections consisted of events "In The News" where the release of the Nintendo 64, the Yankees winning the World Series, and the Macarena were all highlighted.

24 years from now, what will Spotswood High School students learn about 2021? Certainly they will learn about the COVID-19 pandemic that has dominated our lives this past year. I also like to think that there will be lessons about TikTok (they'll probably make fun of all of us!). Most of all, I look forward to the inevitable lessons about our resiliency and how despite incredible challenges, we persevered, finding new ways to connect and support one another.

From the first day of your freshman year to graduation day, high school is only 16 report cards. Thank you to Ms. Furman, Ms. Bergman, and our yearbook staff for documenting the space between the 4 report cards of the 2020-21 school year. No doubt the pages will look different this year, but what remains unchanged is our spirit and Spotswood High School pride and traditions.

To the Class of 2021: In my high school yearbook, we did Senior "wills" where we left something to our peers who were still in high school. To that end, I would like to "will" you three things in life that will bring you true happiness: Someone to love; Something to do; and Something to look forward to. Know that you have people at SHS who love you and want the very best for you. We hope you have left with a passion and a drive to do something amazing! Our school community all look forward to seeing how you will change the world.

Whether you are taking another step towards graduation, or departing Spotswood this June, I hope that you do so having heeded the advice that I gave you when we first met, and that you carry that advice long past your time at SHS. It has served me as a knowing guide on long days, and helped me reflect on many seemingly short years that pass by in the blink of an eye. I hope it does the same for you.

Work Hard. Have Fun. Take Care of One Another.

Respectfully,

Mrs. Jablonski

To the Class of 2021,

As I look back at this year, I think of the African proverb that reminds us that, "skillful sailors are not made by smooth seas." Traversing a tumultuous sea, collectively, our navigation of this school year has not been exactly as hoped or desired.

Individually, our boats have heaved and shuddered against this storm, with our classrooms intermittently closed, college visits canceled, activities postponed, vacations abandoned, and friends and family quarantined. But in the midst of this experience, you have learned to turn into the waves, learning to adjust, developing skills, testing resiliency, and strengthening determination.

As we begin to sense a change, the wind less biting, the waves less frequent, we look forward to coming together as a class again, to reminisce, to reconnect, and to share the excitement of new adventures, knowing that Spotswood will always remain a port in the storm no matter where you sail.

# A Letter From the Advisors

Special thanks to all of our members who gave their time, shared their creative talents, and worked tirelessly beyond the call of duty to make this book happen this year. Your efforts have truly helped to ensure that we provided the most comprehensive collection of photos, rosters, written memories and quotes that will preserve our collective experiences forever. When we started this school year we were unsure what events, clubs, and sports would be taking place due to the restrictions forced on us by the Covid pandemic. You persevered and we feel a great sense of pride for all of you. What we have achieved this year isn't small or inconsequential. It might be our biggest success yet! The best part is that you made it all possible and we thank you for a job well-done.

We would like to acknowledge this year's senior "warriors".

**Ricky Rodriguez - Lab Assistant/Editor:** You've really proved your mettle as a very talented team leader, and we are looking forward to seeing the direction in which you are going to take your future projects next year in college. We know you have put in a lot of extra time, and you are truly inspiring! It was a pleasure to see you perfect your skills with photoshop while getting the most out of the skills and talents of our club members. The success of this club is a testament to your hard work and dedication.

**Winter Schreck - Senior Editor:** Thank you for taking on the role of "Yearbook Mom" among numerous other responsibilities this year. You jumped in with both feet and you cheerfully and energetically brought a creative and skilled perspective to the club. Your devotion to the production of this book and to your peers are unmatched.

**Carla Salib - Senior Editor:** You joined our club in your senior year and have proven yourself to be an invaluable member. You worked diligently, attending all meetings and completing any task required of you. We are truly grateful for your perseverance, kind demeanor and outstanding work ethic.

**To our yearbook staff members - Noah Albrecht, Mikayla Dent, Allie He, Sophia Luong, Mary Kate Mauricio, Evelyn Nabil, and Alexa Ramirez:**

We want to express our appreciation for your efforts and dedication. We look forward to seeing you next year at our meetings. Bring your ideas, creativity, talents and energy.

Thank you to our yearbook company, Entourage Yearbooks, for providing the tools and resources required to create the 2021 Pegasus. A special thank you to Lauren Karol, our Entourage Yearbook representative, for your patience, support, training and guidance in the production of this yearbook. Thank you also for participating in our Zoom meetings and for promptly responding to staff email and phone call requests for assistance.

Thank you to the Lifetouch photographers for capturing our memories throughout the year. A special thanks to Dianne Deverson for being so incredibly accommodating and flexible in providing photography services to our students, clubs, events and sports teams.

Thank you to the Spotswood Administration, especially Ms. Amy Jablonski (Principal) and Mr. Michael Mastroserio (Vice-Principal) for their assistance with the approval of our club activities throughout this year. You provided opportunities for the yearbook staff to capture the memories and historical events, documented in this yearbook. We sincerely appreciate your confidence in allowing us to record this once in a lifetime historical narrative. Thank you to the Athletic Director, Michael Delaversano and especially to Kayla Andrechick, Administrative Assistant, for providing us with schedules, rosters and other information necessary for the coordination of sports photos. We would like to express our appreciation to Mr. Graham Peabody (Superintendent) and Mrs. Selina Pewitt (Assistant Superintendent) for your roles in maintaining a positive, safe school community for the students and staff members which allowed us to successfully complete our yearbook project. Additionally, thank you to the Spotswood Board of Education for their continued support.

Thank you to our phenomenal staff at Spotswood High School. You handed out photo packages, responded to our questionnaires, posed for socially distanced photos (some reluctantly) and provided us with candid photos. Thank you to our faculty superlative winners for assisting in the coordination of the most creative superlative photos we have ever produced. Thank you to the club advisors for providing us with your membership rosters so that we could coordinate the zoom club photos taken this year. We truly appreciate the contributions, consideration and teamwork we receive each year from our colleagues. Your dedication and professionalism are a source of continued inspiration.

Thank you to the parents and guardians of the Spotswood High School students. Your contributions assisted our yearbook staff in the creation of this historical record.

Finally, thank you to all the remarkable students at Spotswood High School. Your resilience, creativity and adaptability helped to make this yearbook a success. You are the glue that binds the pages of this chronicle together.

To the graduating Class of 2021 - Congratulations on your graduation from Spotswood High School. You have successfully completed one of the most celebrated events of your life. You have witnessed lots of changes in the world around you. We have witnessed advancements in your skills and confidence as you adapted to the continual changes in our school, community and country. In the words of Martina McBride, "This world's gone crazy, it's hard to believe that tomorrow will be better than today, believe it anyway." Follow your dreams and enjoy the ride.

Best wishes,  
Carol Bergman-Defilippo and Barbara Furman

# A Letter from the Editors

Year after year the editors have sat down together close to the final deadline to construct the editor letter. No matter how many times we want the letter done in December it always ends up being done the week that the book is due; this year was no exception. As we write this letter on 5/15/21 which 5 days before the book is due, we reflect on everything we have been through together.

While we were working on the 2019-2020 yearbook, the President of the club, Ricky, was brainstorming ideas for the class of 2021's senior yearbook. After the completion of the 2020 yearbook, he went to the advisors and pitched the idea which later turned into the final theme. That theme is "A Flash from our Past." In simpler terms, our theme is decades, which ironically enough was a very similar theme as the annual Mr. Spotswood pageant. As a yearbook staff, we wanted this yearbook to come full circle just like a typical high school experience. When you leave middle school as an eighth grader you are looked at as "middle school royalty" until you become a freshman which you are then looked at as "the bottom of the social food chain" until you reach senior year which you have now reached "the top of the social food chain." That is what we mean by having a full circle experience. We decided for this book to progress through the decades. Thankfully this theme was perfect for the start of a new decade. We start out in the 1920s and end in the 2010s/2020s.

During this year's process of creating this time capsule, the yearbook club has had our annual ups and downs. With trouble getting pictures, 24/7 emailing, and social distanced picture days this year seemed different than every year for obvious reasons but we persevered and thrived. Due to COVID-19, we came to the realization that we would have to cut out some pages or even full sections. We didn't want this whole entire yearbook to be a bunch of screenshots of zoom meetings. We tried to take zoom pictures as little as possible. The yearbook staff worked tirelessly to put this work of art together. In our yearbook program, "Entourage", it calculates the amount of hours each individual member has spent on the program. This year we accumulated 453 hours and 25 minutes as of 5/20/21.

As you flip through the pages of the 2021 Spotswood Pegasus, we hope you find happiness in seeing what we have accomplished this school year. We know certain aspects of the year have been taken away from us and how we would get back to normal in just two weeks, which saddens us deeply, but we have proven day after day that nothing can stop the resilient Chargers.

Next to last, we would like to say thank you's. First and foremost we would like to thank our wonderful advisors, Ms. Bergman and Mrs. Furman or as some of us say "Furgman." We would like to thank you both for the endless support and gratitude you have for the editors and the club itself. From staying on zoom meetings for sometimes five hours to complete this book to just having someone to talk to on a bad day, we thank you. We would like to thank the other members of the yearbook club which contain Mikayla Dent, Sophie Luong, and Evelyn Nabil for your endless amount of help creating this masterpiece. The yearbook editors would like to thank Dawn Miller from tapinto.net who let us quote articles from her own website and who helped this yearbook fill up pages by taking on a more journalistic approach. We would also like to thank every parent, student, and faculty member for filling out google forms and sending in pictures. We do acknowledge how much you contributed to this production so we thank you.

Lastly, we would like to dedicate this book to the Class of 2021. Our goal was to give all of you a little bit of normalcy despite this unusual year, so we hope we did just that. To all the upcoming graduating classes of Spotswood High School, we wish you nothing but the best. Truly know within yourself, if you work hard enough, you can accomplish anything.

Sincerely your 2020-2021 editors,  
Ricardo (Ricky) Rodriguez (President/Lab Assistant/Senior Editor)  
Noah Albrecht, Carla Salib, & Winter Schreck (Senior Editors)  
Allie He, Mary Kate Mauricio, & Alexa Ramirez (Junior Editors)

# SENIOR Officers & Advisors

My fellow seniors,

I like to think that we are the most impressive class out there... With only two real years of high school, We are moving on to become college students, soldiers, and workers, all intelligent and ready to take part in adulthood. Before we begin to drift apart as we take our places in life, I want to encourage all of you to never hold back from becoming the best version of yourself. The future in front of us is unpredictable, and as we face problems we might not know all of the right answers, and that's okay. Allow yourself to make mistakes, and learn to love yourself and the world around you in the process of it. As Michael Scott once said, "May your hats fly as high as your dreams."

With love, see everyone in 20 years,

# WHEN

# SENIOR ART BOARD

The annual Spotswood High School Art show is an event everyone looks forward to especially the AP Art students. The annual SHS art show takes place in the media center and shows off the artwork of everyone who is in an art course. Due to COVID, only AP art students had the opportunity to display their portfolios of art for faculty only this year.

Even virtual students, Anna Cipolla and Damarys Prado had the chance to participate in the art show.

# Junior Officers & Advisors

Hello Class of 2022,

This was a year I'm sure no one was expecting that we would have to go through when we first came to Spotswood High School back in freshman year. Considering these circumstances, we have persevered and supported each other through these times. It is my hope that next year we can push ourselves further to accomplish our goals, reaching them and highlighting the best of ourselves and each other.

I would like to give a shout-out to my fellow officers Owen Hahner, Timmy Smith, and Nanda Zimkus; our social media team Emily Chasan and Mya Rogando-Lynch; and our class advisors Lisa Van Doren and Amy Willuski this year for their contributions. Their help is greatly appreciated and we value their assistance throughout the year.

We are always Spotswood Chargers through and through. Here's to a better 2021-2022 school year.

Yours Truly,  
Nicholas Andre

# Sophomore Officers & Advisors

To the Class of 2023,

Hard to believe we are halfway through our high school years, yet we've hardly seen our high school or each other! I never imagined when we abruptly left school last March that we still wouldn't all be back to normal school days more than a year later. Could anyone have ever imagined their Freshman and Sophomore years would be like this?!

Thanks to all the efforts of our school administrators, principal, teachers, and support staff. We were able to attend school "virtually" (with a little bit of "hybrid" mixed in) this year and got to "see" each other. While we didn't get to spend time together in an actual school building, we entered each other's homes (living rooms, kitchens, beds, hopefully no bathrooms) every day. We got to learn a lot more about each other's lives. Also, Pajama Day became every day for some of us. We got to know our teachers as people, with families and pets passing by on Zoom. Through sports, many got to experience some "normalcy" (although missed having our classmates there to cheer us on). Even band and drama were able to practice and perform in this weird new world we're living in.

I am hopeful our Junior and Senior years will be a bit more normal, but no matter what, I hope you all will make the most of them. We've been through some crazy times these past two years, but I believe it has made us all more resilient and ready to face whatever comes our way.

Let's go Class of 2023 - we have a lot of catching up to do!!

All the best,  
Gabrielle Diaz

# Freshman Officers & Advisors

To the Class of 2024:

Congratulations on completing your first year at Spotswood High School! Even though this has been a unique experience for all of us with hybrid and virtual learning, we are so proud of your perseverance. We look forward to formally meeting all of you when we are able to return. We hope you are able to continue thriving not only in the classroom academically, but through extracurricular activities as well, to make the next 3 years at SHS exciting and memorable!

Your Advisors,  
Mrs. Levine and Mr. Hyland =)

Class Color Day is my favorite Spirit Week day because it shows a sense of pride in each grade. Class Color Day is always the most fun day every year. Of course we didn't have the pep rally and the hallway decorating but we had the most fun we could this year virtually.

Glancing over my shoulder at the past,  
I realize the number of students I have taught  
is enough to populate a small town.

I can see it nestled in a paper landscape,  
chalk dust flurrying down in winter,  
nights dark as a blackboard.

The population ages but never graduates.  
On hot afternoons they sweat the final in the park  
and when it's cold they shiver around stoves  
reading disorganized essays out loud.  
A bell rings on the hour and everybody zigzags  
into the streets with their books.

I forgot all their last names first and their  
first names last in alphabetical order.  
But the boy who always had his hand up  
is an alderman and owns the haberdashery.  
The girl who signed her papers in lipstick  
leans against the drugstore, smoking,  
brushing her hair like a machine.

Their grades are sewn into their clothes  
like references to Hawthorne.  
The A's stroll along with other A's.

Mrs. Raczek-Williams started off the One Act Plays competition by honoring the 2 year passing anniversary of SHS English teacher John Chaya. She read a poem called "Schoolsville" by Billy Collins. He would read this on the last day of school to his senior classes. He would sign an individual copy of this poem to gift to each of his seniors.

**Mrs. Raczko-Williams - One Act Plays Advisor**

"These students personified the message, 'the show must go on!' from writing their own scripts to performing them on ZOOM for a live audience, with their teachers as judges, these artists are a class act. I am so proud to be their teacher, and so in awe of their perseverance. The 2020-2021 school year in a global pandemic sounds like something you would see on the stage and not in real life, and these students deserve a standing ovation."

Every year the stage crew seniors would sign the prop room door during show nights in order to make their legacy known. This year, due to Covid restrictions, the seniors in stage crew were unable to sign the door during the week of the show. Luckily, Mrs. Raczko-Williams knew how much this tradition meant to them and let them sign it during a free period in school. The senior stage crew members who signed the door consist of Chloe Donelan, Ashleigh Krefski, Shannon Longmore, and Ricardo Rodriguez. These same seniors continued the tradition of getting "Slurps" from 7/11 the night of the Saturday show. The crew has plenty more traditions that were unattainable this year such as riding in a shopping cart for bows.

Spotswood Trouper Fun Fact! The virtual production of the Wizard of Oz took the team of three, Caden Dowgin, Owen Hahner, and Winter Schreck, approximately 90 hours in a span of 7 days to edit, render, and finalize the two hour musical film!

## Winter Schreck - The Wicked Witch

"Although we changed of our method of performance for the musical this year, the experience was very rewarding. Drama Club became a center for both theater and film as we recorded and assembled our final performance! Two of my favorite worlds, collided. I wouldn't want the musical this year, any other way".

"Even though there were so many reasons not to, I am so glad we were able to have a football season during the pandemic. Even though the restrictions limited the amount of games, and everything else, it came down to why I started playing the sport. I had the opportunity to play the sport I love with some of my closest friends."

## Luke Johnson - Junior

"The season was great. Even though we had some setbacks because of COVID we all fought through, stayed safe, and ended up having a good season. As an upperclassman, I was closer with many seniors so it was tough to see them go but I'm glad I got to play with my brothers."

## Sean Johnson - Junior

"Although we couldn't have a stadium filled with a student section and all of our family, the guys and I came together as a family."

The Spotswood High School Football Team ended their fall 2020 season with a 2-5 record. This was Coach Andy Cammarano's last season as head varsity football coach. Coach Cammarano has been the head varsity coach for 13 years. Since he started in 2007, He has led the chargers to win three Greater Middlesex Conference Blue Division Championships in a row from 2014 to 2016. The Blue Division championship in 2014 was the program's first in 14 years.

### Danielle Cann - Captain + Senior

"This cheer season was completely different than how the past 3 seasons have gone. Despite that, I feel very lucky to have been part of the SHS cheer team, and covid didn't affect how close our team was. Even though we had to social distance and wear masks, we made sure that all of us had each other's backs and acted as a true team. Without UCA camp, pasta dinners, and homecoming house decorating, we thought it was going to be hard to bond as a team, but we proved ourselves wrong and became best friends. My favorite part of this season was coming up with fun last-minute theme ideas and showing up for practice in crazy outfits. I tried out as a freshman because I always had a love for cheer, and I heard such great things about the program at Spotswood. I looked up to the seniors and captains so much throughout my time on the team, and I'm so glad that I got a chance to experience that for myself, even though COVID made it a little different."

Captain Danielle Cann told Dawn Miller from Tapinto.net "My favorite memories were cheering on the football team every Saturday and seeing the student section so energetic and excited." Varsity Fall Cheerleading coach Colleen Meyers told yearbook president Ricky Rodriguez, "COVID presented this resilient team with many challenges. Sadly, a return to Pine Forest Cheer Camp in the Poconos was not in the cards for any team. Our cheerleaders enjoy that experience so much- from team bonding, the development of new stunting skills, to learning new cheers, chants, and choreography. This group of seniors, however, made the most of every moment and led the underclass-women with grace, compassion, and wisdom. As a coach, I could not be more proud!"

"This cheer season was incomparable to my 3 past years on the team. Although things were much different I feel as if it brought all of us closer as a team and as a family. These girls became my sisters and as stressful as practices would get, I would do it all over again in a heartbeat. (unless Miss Meyers makes us redo our high kicks and jumps 50 times again during warmups.. then I would take some time to think about it lol.)"

Liam Barlow, Sunny Goswami, Tyler Lewandowski, Gabriel Rosario, Jason Schwartz, Luke Tharney

Liam Barlow, Timothy Smith and Luke Tharney were named to the Greater Middlesex Conference All-Blue Division team. Senior Captain Luke Tharney also earned All-Conference honors. Freshman Aidan Collins was listed on nj.com as one of the top rookies in New Jersey for boys soccer.

Senior captain, Liam Barlow was nominated for the "MyCentralJersey.com Boys Soccer Player of the Week" due to scoring twice during a game facing Saint Thomas Aquinas High School and finishing the week with a goal against JP Stevens High School.

### Sunny Goswami - Senior

"We lost a ton of good players and it was challenging at first but as the season went on we found our groove and started playing as a team"

### Tyler Lewandowski - Senior

"I'm really just happy I got to play with my boys."

### Liam Barlow - Senior Captain

"There's no better feeling than stepping onto the pitch with Marv and the guys, we were grateful enough we got a full season."

The head JV boys soccer coach, Mr. Vizzi says "This years JV team overcame great adversity but never made excuses. These boys showed up every day with the right attitude, ready to improve. The thing that I will remember the most about this years team is their work ethic and passion for the game they all enjoy playing."

# Boys Soccer

Ashleigh Krefski, Julia Masucci, Amanda Mendez, Sofia Vieira

## Sofia Vieira - Senior + Captain

"This season of soccer was like no other due to Covid, but we were even a stronger team compared to all four years I've been on the team. We had a family mentality which helped us stay undefeated for a majority of the season and move on far. I'm so glad I joined my freshman year to continuously be a part of a tight knit group that was very uplifting yet competitive. My favorite part of game day would be when Coach Reid would hype us up before going on the field, making us scream at the top of our lungs. It is a tradition that I will miss but always treasure."

The girls soccer team ended their season with a 7-2-1 final record which put them in 6th place in the Greater Middlesex Conference rankings. Kirti Craig, Julia Masucci, Amanda Mendez and Sofia Vieira were named to the Greater Middlesex Conference All-Blue Division team. Kirti and Julia were also named to GMC All Conference Team. The head JV coach, Meghan Koppel told the yearbook staff, "I would say that this year's JV team showed a lot of heart and dedication. They were probably the most dedicated team I have ever had. There were a lot of obstacles they had to face this year and they showed up each and every day and always gave it their all."

## Amanda Mendez - Senior + Captain

"This year we bonded like no other year. It wasn't just a soccer team, it was family. We made friendships that will last a lifetime. Killing all the white division teams in my last season was definitely relieving and my favorite part of the season."

Amanda Mendez decided to further her academic and athletic career with Rider University. She committed to Rider University on November 11th, 2020 which was National Signing Day. Amanda better known as Mande, will be participating in the division one soccer program at Rider University. Mendez has been on the Spotswood girls varsity soccer team since she was a freshman. Varsity head coach, Michael Reid told tapinto.net, "She has worked extremely hard on improving different aspects of soccer abilities over the past couple of years and it has paid off. I could not be happier for her as she deserves it."

"This season had everything I could have asked for, great coaches, meets, and more importantly friends. Every practice was an opportunity to have fun and improve. We motivated each other to always do our best, even in the pouring rain we were still able to keep laughing and smiling. I have the coaches and everyone on the cross country team to thank for that."

## Robert Alongi - Senior + Captain

"I didn't have high hopes at first because Covid was still relatively new and nothing was really opening up yet, but I was still willing to give it a try. It wasn't the senior year I dreamed of for the past 3 years, but at the end of the day, I got to race and that's really all that I care about at this point. We were only able to race at one course which was not ideal but then again, it was better than nothing. As the season progressed, more started to open up and things started to open up and things started to go more back to normal. We were able to have regular practices with masks and social distancing, of course. The social aspect I always got the past 3 years wasn't quite there, but for the most part, I was still able to participate fully in the sport that signed up for, and I believe that it was a successful season for the circumstances we were in."

## Kaitlyn Todd - Senior + Captain

"With everything going on I was worried about how much would change from previous years and even though we had to change a lot everyone on the team worked hard to make it feel as normal as possible and I think that's what made the season so great."

## Erin Ryan - Junior

"My favorite part of the season was definitely the matches. I loved seeing new members as well as past teammates play and improve throughout the season!!"

## Evelyn Nabil - Freshman

"I joined tennis this year because it looked very fun and enticing. The upperclassmen girls made it sound like the best time of their lives which later turned out to be true. The tennis season this year was so exciting. Although it was exciting it was also tiring and hard. With all the running around and COVID restrictions it made the season a bit difficult but we got through it, as a team. The best part of the 2020 season would have to be making all these new friends and learning how to play."

The Girls Tennis team finished the fall 2020 season with a record of 5-3. This was the first time in four years that the Girls Tennis team ended the season with a winning record. Spotswood's Girls Tennis team was also awarded the Greater Middlesex Conference's Sportsmanship Award for their play during the 2020-21 season.

## Tyler Lewandowski - Senior Captain

Lewandowski told Dom Savino from [cjsportsradios.com](http://cjsportsradios.com) "This is awesome. I love these guys. These guys are my brothers. I've been playing with them growing up since I was 4 years old. It's a great feeling to be out here winning games with the boys."

On May 19th, 2021 the Spotswood Chargers faced East Brunswick for The Commander's Cup. The chargers won thanks to Tyler Lewandowski hitting a walk-off double which allowed Matthew Frobosilo and Jackson Walsh to cross home plate to beat the East Brunswick Bears with a 6-5 victory and the fourth consecutive Commander's Cup win against the Bears.

## Diana Rucinski - Senior Captain

"This season was so fulfilling and exciting because of what we all missed out on last year. This group was great to be a part of and we truly put our all into this season. I am very proud of all the hard work and achievements everyone has made this year, and I can't wait to see how the program continues to grow."

Capt. Lexi Brown, Lindsey Pepe, Capt. Diana Rucinski, Breanna Socoloski

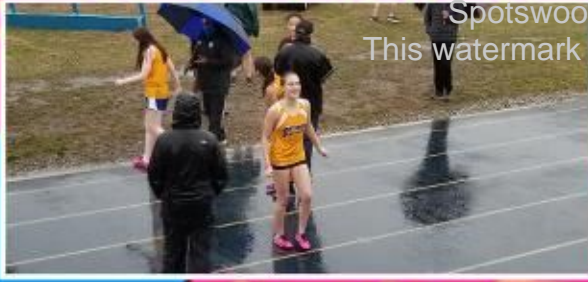

Senior Diana Rucinski decided to further her academic and athletic career at Suffolk University in Boston, Massachusetts. She told Dawn Miller from tapinto.net that her earliest softball memory was "When I finally got a hit, the coaches told me to run to first base, not knowing the difference between first and third, I ran to third instead."

## HEROES AND COOL KIDS

High school mentors visit the fifth-grade students of Appleby School and teach them about making positive and safe choices by sharing personal life experiences. The topics of these visits include promoting positive self-esteem, nutrition, being an active bystander in bullying scenarios, and abstaining from risky behavior and the use of dangerous substances. In a traditional year, all training events for the mentors and visits to the 5th graders are in person, but this year we have adapted to making it all happen over the virtual platform. Both the high school mentors and 5th grade students look forward to their time together and get great advice and experiences from one another. Mentors apply to be a part of this program and are true role models to not only the younger students but to their peers as well. In addition to working with the fifth grade students, mentors also facilitate visits and lessons at Schoenly school benefiting the youngest students of Spotswood Schools. They, also, help assist with field day and other community events.

### Underclassmen

## MATH LEAGUE

Math League consists of math contests given to students for an educationally enriching opportunity to participate in an academically-oriented activity and to gain recognition for mathematical achievement. Our main goal is educational: we promote enjoyment and study of mathematics by organizing contests. Each contest covers topics appropriate to the high school level. Students enjoy a challenge and learn from it to find problem-solving discussions stimulating.

**Advised by** Mrs. Forgione

Alexis Alejandrino, Gavid Cahill, Carla Salib, Kirelos Salib, Timothy Smith

**Not Present:** Taher Afini, Sanaa Broadway, Cyanne Chan, Emmily Chasen, Kathleen Kazanjian, Evelyn Nabil, Samuel Nell, Kyle Rogero

## PEER TO PEER CONNECTIONS

Our peer mentors act as leaders within the school community by providing support, encouragement, and guidance for our students. Additionally, they are a part of our Spotswood High School Welcoming Committee for new students.

**Advised by**

Ms. Buchanan, Mr. Del Aversano, Mrs. Steenvoorden & Mrs. Willusko

## LEAD FOR DIVERSITY

Lead for Diversity works to promote inclusion and respect, value differences, fight discrimination, and educate and empower students.

YEAR IN POP CULTURE

# Astro-101

2020 could easily be defined as a "stellar" year if you are an astro-nerd. Whether you are into Astronomy or Astrology, here are some facts about the two subjects to help you in your journey amongst the stars!

## Astronomy vs. Astrology

- Astronomy is the scientific study of the universe and its contents outside of Earth's atmosphere.
- Astronomers examine the positions, motions, and properties of celestial objects.
- Information and data collected by Astronomers are documented and verified by astrophysicists.

- Astrology involves the study of movement of celestial bodies, but it is also is a set of beliefs and thoughts that those movements have an effect on an individual's personality and have a bearing on their future.
- ONLY Astrology makes predictions about future events on Earth and, in particular, in an individual's life.
- Astrology has been labeled as a pseudoscience or superstition, but there are many who support it and pursue it as a field of study.

The Moon is one common subject where Astronomy and Astrology cross over. It is thanks to our Sun that we have the different phases of the Moon, this is because the Moon does not produce it's own light. The illuminated part of the moon changes each night, so be sure to keep an eye in the sky!

In Astrology, the Moon and it's phases are used to figure out individual's emotions. This is believed to explain why some people experience a lot of unusual feelings during a Full Moon. The same could be said during a New Moon, except with a sense of calm.

From eclipses to the Rare conjunction of Jupiter & Saturn (Bethlehem Star), 2020 had some amazing celestial events that were true sights to behold!

With that in mind, let's see what 2021 has in store!

May 26th - Total Lunar Eclipse // Will be visible throughout the Pacific Ocean and western North America!

June 10th - Annular Solar Eclipse // Will be visible throughout the northeastern United States!

August 22nd - Full, Blue Moon // Occurs every 2.7 years, also known as a "Sturgeon Moon" by early Native American tribes because of the large sturgeon fish of the Great Lakes that were easily caught this time of year!

November 19th - Partial Lunar Eclipse // Will be visible throughout most of the Pacific Ocean and North America!

Curiosity about outer space has led to some of our greatest discoveries in technology, science, and ourselves as humans. Studying outer space in any form as encouraged us to grow and learn, even without us knowing it.
