MR. RODRIGUEZ THE BEST MIDDLE SCHOOL PRINCIPAL

Hello Cougars I would like to say thank you to our amazing staff, students, and families for such an incredible second year here at Canyon Lake Middle School. It is truly been an honor to have had the opportunity to serve this great school.

Over the last nine months of distance-learning I have learned a lot about our staff and students. I have learned that we are resilient. I have learned that we are strong. And, I have learned that together, we were able to overcome all of these obstacles to make it another successful school year. This community has such a high level of school pride, student achievement, staff commitment, and community involvement. All of these things make Canyon Lake middle school such a great place.

To all of my eighth grade Cougars. As you head into high school, you will learn many life lessons on your own. Chances are you will make new friends, you will experience a broken heart, you wonder how someone trusted you enough to put you behind the wheel of a car, and you'll learn what the outside world is like when you get your first job. So let me leave you with a few things to remember.

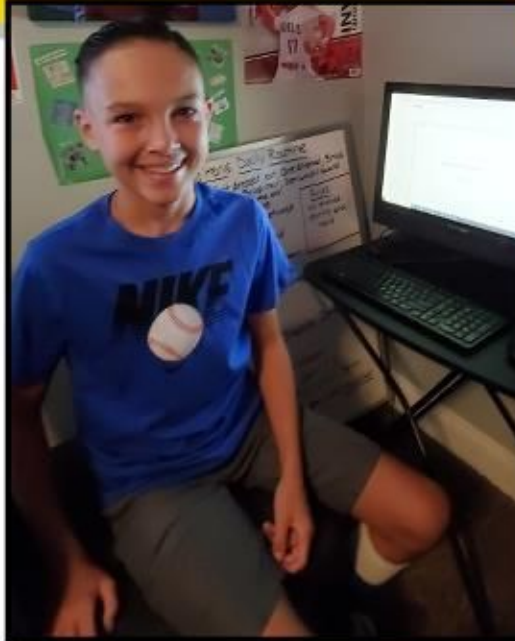

- 1. Don't be afraid to fail. Take risks and try new things. This is how you will grow.**
- 2. Always ask questions. Question your friends if you think they are heading down the wrong path.**
- 3. Be kind. Kindness breeds kindness. How do you want to be remembered 20 years from now?**
- 4. Stay optimistic. An optimistic person is one who makes opportunities from their difficulties.**
- 5. Read every day. Always re-read what you have written before you turn it in. Read all kinds of books.**
- 6. Lastly, BELIEVE in yourself!**

So make sure to get to class on time, make sure to make good choices, and always remember to take PRIDE in being a Cougar!

**Mr. Rodriguez
Principal

You withstood the world changing around you, made the necessary adjustments and changes where needed, when most couldn't or didn't. Words can't express how proud we are of you. Keep on doing what is best for YOU and be your OWN advocate, COMMUNICATE your needs and separate your wants. One day, too soon, your actions and choices will be your own, no matter how much we sometimes want to make them for you. Continue to make the best decisions for yourself as you grow.
