**FIRST DAY  
ONLINE**

# GO PIRATES!

As I look across the Pinecrest Sloan Canyon campus, I see construction progressing on a daily basis. This evolution represents the change and growth we have seen as a community over this school year. Our students and families have come together to embark on learning in new ways and have risen above any challenges faced. We have supported one another and created bonds and memories that will last a lifetime.

As a STEAM school, our vision is to foster innovative thinking, problem solving, creativity and a passion for learning within our scholars. My dream is that students will love coming to school every day and know that they are part of a community in which they are loved. Students, I believe in you and the amazing opportunities that your future holds. You impress me daily with your drive, intelligence, compassion and spirit. This year put you to the test and you passed with flying colors! Continue to do your best and believe in your abilities. Always question the world around you and advocate for yourself. Strive to think outside of the box. Most importantly, be kind and empathetic to one another. I am so proud to be your principal and will continue to be relentless in providing you the best education and positive learning experience the world has to offer.

Our staff and families truly developed a partnership this year. Staff, the way that you worked together to learn new practices in virtual and hybrid teaching demonstrated that you are incredible professionals that we are so fortunate to have guiding our young learners. Your passion was inspirational as you worked tirelessly to connect with each learner even when we were physically apart. Families, you were instrumental in your child's education this year in taking on the challenge of at-home learning. You have been their teacher, their role model, their counselor, their cheerleader, and their source of stability throughout. I am sure that your child will always remember how you have been there for them. I surely know I will! I am grateful to be in this partnership with you.

Thank you for being a Pinecrest Sloan Canyon Pirate! Have a wonderful and relaxing summer!

*Lisa Satory*

# AWARDS DRIVE THROUGH

## WE ARE SO PROUD

We are so proud of each of our students this school year. This year has been challenging, but our students have done a fantastic job being flexible and learning in new ways. We loved having an awards drive through to celebrate some of our students' accomplishments. Great Job Pirates!!

# AT HOME LEARNING

We have been amazed at our students and their flexibility throughout this school year. At home learning is not easy - but they did a great job. We are proud of our Secondary students!!

## AWARDS DRIVE THROUGH

Our Secondary students have worked so hard this year! They rose above challenging circumstances and we are so proud of them. Throwing them an awards drive through was so much fun!
