PRINCIPAL'S MESSAGE

Olympians, welcome back!

Your presence was missed around campus. We are so happy to see all of you back in person. Who would have thought that this pandemic was going to last this long? The important thing is that we are all back together as Olympians.

Our time apart has really forced many of us to reevaluate many things, such as life, school, family, and our future. As we continue to reevaluate and adjust to "normal school," remember that I am here for you, and that our entire staff is here for you. Teachers, counselors, office staff, administrators, we are still in this together so please reach out to us if you need anything. I know this transition

is something that many of you have been looking forward to so let's make the most of it. Let's appreciate what we have and be kind to one another.

Let's put that Olympian SPIRIT on full display.

Let's go LEU HOUSE!

Your Principal,
Dr. Howard Ho

WE ARE TRYING TO COME UP WITH
ACTIVITIES FOR MY TWO DAUGHTERS
BUT IT IS DEFINITELY NOT EASY
TRYING TO KEEP THEM BUSY. STAYING
HOME ALL DAY WITH A TWO AND
FOUR YEAR OLD IS NOT EASY. ONE
THING I AM STILL DOING IS
BARBECUING."

"ALSO, I AM TRYING TO TEACH MY
DAUGHTERS HOW TO DJ!"

"NEVER IN MY LIFETIME DID I EXPECT TO
QUARANTINE LIKE THIS. I AM NOT DOING
MUCH BESIDES SPENDING TIME WITH MY
FAMILY AND GOING TO COSTCO."

"I REALLY MISS HANGING
OUT WITH MY FRIENDS
AND FAMILY BUT AT
THE MOMENT, WE ARE
NOT READY TO BREAK
QUARANTINE."

Congratulations D'arraah Class of 2021

A JOB WELL DONE

A bright light shines on the baby of the family. The village gleams with pride, all looking toward you, in admiration of your accomplishments.

We have watched you study, sweat, & grind, with one eye affixed on the journey forward. Through prayer and sacrifice, you train, practice, and play with the other eye focused on the process.

Keeping pushing and praying your way through life's obstacles, with class and grace, as you step into the next chapters of your story, keep fighting until the battle is won.

Know we will continue to love, and support you along the way. But today, we celebrate and congratulate you, on a job well done.

Laila V. Martinez

Behind you, all of your memories. Before you, all of your dreams.
Around you, all who love you. Within you, all you need.

We are so proud of you, all of your hard work,
long hours, and dedication, that has brought you
to the position you are at right now. Yes, we
pushed you a little, as parents do, but
ultimately you made it happen. Te queremos
MUCHO y SIEMPRE vamos a estar a tu lado
apoyandote!

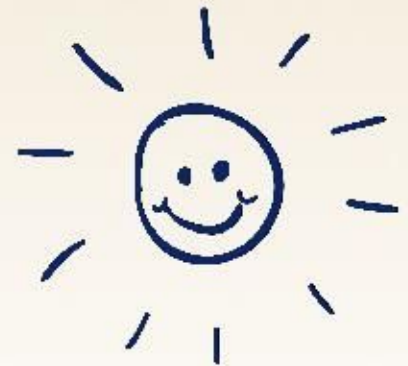

With love, Tu Familia

"If you stay ready, you don't have to

For the time that I have known you, it has been a delight being your friend. I can never forget the shock that ran over me when I realized what kind of ideas you have, and how amazing you are. You are truly one of a kind, and it doesn't matter what anyone says to the contrary. You were born for legends, campfire stories, and superstitions. You were born for small smiles, happy dances, and bursts of laughter. You are incredible. And I love you so much. Take the j-o out of joy and just focus on you. I hope that you live a wonderful and adventure-filled life. I wish you all the best and can only try to stay your friend as you grow up and leave me off to college. You are going to be the one they name a storm after. And I will be so proud and rejoice in your name as others have done for He-Who-Must-Not-Be-Named. You shall prevail and you shall reign supreme. All hail, Empress Morgan!

Anyway, I hope you get everything you want. I hope that you find a style that fits you. I hope that you can find your path, or maybe your path will find you. Either way, I wish you all the love and joy in the world, because you definitely deserve it.

I love you. I care about you. Please be kind to you.

Much love, Georgia Acuña

Congrats Vince!

Congrats

CORONAVIRUS

MARCH 16, 2020 LEUZINGER STUDENTS STARTED THEIR DISTANCE LEARNING EXPERIENCE.

COVID-19 is a disease, caused by a novel (or new) coronavirus that has not previously been seen in humans because it is a new virus. Although most people who have COVID-19 have mild symptoms, COVID-19 can also cause severe illness and even death.

COVID-19 IS THOUGHT TO SPREAD MAINLY THROUGH CLOSE CONTACT FROM PERSON TO PERSON, INCLUDING BETWEEN PEOPLE WHO ARE PHYSICALLY NEAR EACH OTHER (WITHIN ABOUT 6 FEET). PEOPLE WHO ARE INFECTED BUT DO NOT SHOW SYMPTOMS CAN ALSO SPREAD THE VIRUS TO OTHERS.

DISEASE 2020-21

Deaths: 2.59M

Recovered: 65.9M

Cases: 117M

SYMPTOMS:

FEVER OR CHILLS, COUGH, SHORTNESS OF BREATH OR DIFFICULTY BREATHING, FATIGUE, MUSCLE OR BODY ACHES, HEADACHE, NEW LOSS OF TASTE OR SMELL, SORE THROAT, CONGESTION OR RUNNY NOSE AND NAUSEA OR VOMITING DIARRHEA

Staying Connect with Friends during COVID

"During this pandemic two very close friends of mine have moved, one of them moved to Texas and the other to Canada. I've been relying on facetime and Instagram a lot more now due to the fact it keeps us connected and closer. We also send funny videos to each other so we can have a good laugh and compete on who has better taste in funny videos."

-Debora Morales

I always meet my friends on steam and instagram. By connecting on instagram and on steam for gaming. Almost every day. Yeah i just ghost everyone most of the time. No challenges

-Johnny Aryeetey

"I've stayed connected with my friends by making a group chat on imessage. Also by instagram."

-Bihana Landaverde

"I kept in touch with my friends through Instagram and playing video games. We always called, facetime, texted, or join parties to play games. For a specific friend, my best friend Victoria, we text and call everyday multiple times. Maybe one challenge we face in staying in touch is WiFi problems, or when we both are busy with school work."

-Mercedes Amezcua

"I stayed in touch with my friends by acquiring their phone numbers through mutual friends, and then setting up a group chat with the different friend groups. And occasionally, we would have a conference call. This was useful in making sure that none of us felt socially isolated during the quarantine. It definitely helped me through some tough days, knowing that I could talk to any of my friends from school."

-Georgia Acuña

"The way I stay connected with my friends is through messages, we have a group chat on Instagram and iMessage. At times we do FaceTime or do zoom and we also plan things to do when we feel like it's safe to hang out at one of our houses."

-Ramona Marquez

Quarantine Hobbies

One hobby I started because of COVID, is a YouTube channel, I feel it keeps me sane and makes playing video games more meaningful.

- Jorge Hernandez Chacon

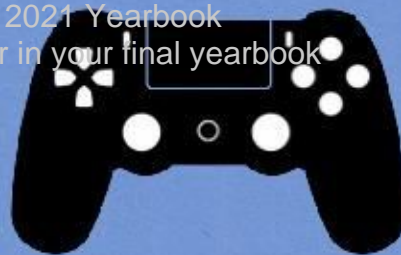

One hobby I started in quarantine is painting. I mostly did Fluid art and not much brush stroke paintings but to be honest it's probably what kept me sane.

- Rigoberto Sanchez Mejia

A hobby that I started to get back to was painting and gaming. Both keep me sane and distracted by having something to do other than being on my phone.

- Mercedes Amezcua

I started singing using with my karaoke microphone and the karaoke videos on YouTube. It's fun and good for managing stress!

- Summer Moody

During the COVID-19 pandemic, I recently started my own business where I thread eyebrows. I learned how to properly shape people's eyebrows with thread and trim brow hairs with grooming scissors.

- Dianna Garcia

DISTANCE LEARNING THOUGHTS

"THE DISTANCE LEARNING EXPERIENCE FOR ME THIS YEAR HAS CERTAINLY BEEN WEIRD AS I DID NOT HAVE TO GET UP EARLY TO GET DRESSED UP AND FEEL THE EXCITEMENT OF GOING TO SEE MY FRIENDS AT SCHOOL. HOWEVER, IT DID FEEL GOOD TO SEE MY FRIENDS' NAMES IN THE GOOGLE MEET AND HAVE CONVERSATIONS AMONGST EACH OTHER." - RUBEN RODRIGUEZ

"DISTANCE LEARNING HAS BEEN A VERY QUESTIONABLE EXPERIENCE AS THERE HAVE BEEN MANY NEGATIVES AND EVEN SOME POSITIVES. I MISS THE EXPERIENCE OF BEING IN PERSON WITH ALL MY FRIENDS AND PEERS HOWEVER I HAVE BEEN GIVEN THIS EDUCATION DESPITE THESE ROUGH TIMES AND I'M GRATEFUL FOR THAT :)." -ALEXA CONTERO

"The distance online experience is cool. I would have never this would happen, sure anyone would've, but I like it sort of. I feel it's cool because it is a short period of time of class, and being at home is nice." Marvon Butler

"Distance learning has been great for me so far, I got to spend more times with my family and friends, go to the beach, and hiking. Even though distance learning can't compare to face to face learning, but this opportunity has helped me realize that time is precious." Khanh Nguyen

"For me distance learning this year has been a little challenging since I'm trying to keep straight A's as of last semester. It has also been challenging. It just feels weird because you don't hear as much laughter from students and teachers, screaming from students having fun at lunch, fights that students would do for no reason, music playing from ASB or other students speakers, rallies happening, ASB announcements, or LTV happening around you, you just don't hear or see any of that anymore and it feels a bit weird, but I know a lot of us are just getting used to this distance learning to the point where it just might stay that way now which sucks." Ramona Marquez

"Distance learning has been good this year and I want it to continue being good. At first, I was stressed about it until I realize it wasn't going to be bad at all." Anabella Escalante

"4 TIMES THE AMOUNT OF BINGE PLAYING VIDEO GAMES. 3 DESTROYED SLEEP SCHEDULES THAT MADE A HARMONIOUS SYMPHONY QUOT; A TOAST 2 THE TEACHERS THAT LET INTROVERTS KEEP THE CAMERAS OFF. AND 1 OUTRAGED RIOT SO BEWARE, CLASS OF 2021, FOR THE DARK DAYS ARE STILL AMONG US" ODILI ESCOBAR

"The "Distance Learning Experience" has shown me how grateful I am for going to school in person and seeing my friends face to face. Distance Learning is the best for kids who don't like to get up early and allows them to still get to school on time." Jayden Vazquez

QUARANTINE

My view on COVID Quarantine is that I feel like I took advantage of my freedom. Being able to go out and go anywhere without having to worry as much. - Mercedes Amezcua

Quarantine has had its highs and lows, from everything getting shut down to some places opening back up again. I've never thought I'd say I missed school, and seeing my teachers. But from not knowing whether I was going to have a prom or a traditional graduation it caused confusion and fear because I wanted a Senior year. Quarantine has been both a good and bad thing, causing people to grow in maturity and on their own. I know I did. - Debora Morales

TIMES

I have never fully struggled with my grades. It has been the same even when I was in school in person. I have been lonely and I think that my mental health has gotten worse, but then better just by thinking that one day my friends are going to be waiting for me in real life school so we can do everything we want to do when we grow older. I have learned a lot during quarantine and I think that without this situation I wouldn't have been able to learn all these lessons and be able to organize my thoughts. Middle school was mentally rough for me because I had to figure out questions I had about myself and so I was struggling a lot. Having a lot of time to think and revise my actions and thoughts step by step is very good, but I personally think that if I had the choice to go back to school or to stay at home I would most definitely go to school! - Crystal Chau

"I am Thankful for doing school work in book and not to worry about getting up late." Salvador Martinez Jr.

"I am thankful for having passing grades. I am also thankful for the food I have." Henry Tran

"I am thankful for all the friends that I have made in high school and the ones that I will keep in touch with even after we graduate. I am thankful for the fact that one of my teachers makes it mandatory to have the cameras on while in class. Adolph Leuzinger

LEUZINGER HIGH SCHOOL IS A PUBLIC HIGH SCHOOL IN LAWDALE, CALIFORNIA. IT OPENED ON JANUARY. IT HAS AN ENROLLMENT OF 268 STUDENTS. IT WAS NAMED AFTER ADOLPH LEUZINGER IN RECOGNITION OF HIS 25 YEARS OF SERVICE ON THE BOARD OF TRUSTEES OF THE INGLEWOOD UNION HIGH SCHOOL DISTRICT.

AMONG THE SCHOOL'S FAMOUS ALUMNI ARE CINCINNATI REDS' SLUGGER GEORGE FOSTER, A KEY PLAYER IN THE BIG RED MACHINE CHAMPIONSHIP TEAMS OF THE 1970'S.

RUSSELL WESTBROOK WASHINGTON WIZARDS OF THE NATIONAL BASKETBALL ASSOCIATION.

WHO'S NEXT TO BE A FAMOUS ALUMNI?

The main building is almost 80 years old and when you walk down the halls some say you can feel somebody next to you "like air," they have many descriptions of that "air" like, a bald headed man who wears glasses or a women wearing old-

fashion clothes, they say it's the Leuzinger ghost. On the weekends when there's no one in the hallways you can hear people crying. Under the grounds of Leuzinger there was a pool and many other things and some drown in the pool due to the 1920s earthquake that caused cracks which led to the school being rebuilt all over again.
