7TH

CLASS OF 2021

SAMANTHA BRIDGWATER

Hi, my name is Samantha but people call me Sam. There are so many memories from this school that I will bring with me through my High School years, too many to pick just one. I love all the drawings on the wall that I walk by at the bus doors, the friendships that we make, and I'm amazed every day at how much creativity we have in such a small school. It will be tough going on, but I know that I will be fine. High School here I come!

ANGUS CALLENDER

Nickname- Toothpick

Favorite NLS memory - When we were throwing Ms. Thoma's stuff around the room and then Logan and Ms. Thoma started chasing each other.

Favorite quote - "I may only be a minute older but it was the best minute of my life." - Angus Callender 2021

What you want to do in high school - Sports

What you want to do when you grow up -

Favorite NLS memory - The Ice Fishing Contest in 7th grade for Winter Outdoor Ed. The first day my tip-up went up twice, the first time it felt like a fish but the weight disappeared in like three seconds, and the second time was most likely my minnow. I had fun catching pure Perch the second day, I caught about 14 or 15 and I won a jig rod & tip-up. Sixth grade bowhunting was also a really fun experience.

What you want to do in high school - I want to join the Trap and Ice Fishing teams & take Autos and Welding classes.

CLASS OF 2021
