Message from the Editors

Jessica Tran

Katie Sandoval

In the 1930s, Leuzinger Olympians chose *The Pylon* as the name for our yearbook. Borrowing the name from the Greek term for "a gateway to an Egyptian temple," *The Pylon* served as a pathway for students to success stories and treasured memories. Countless moments are now preserved in time so that students may look back fondly over their years here at Leuzinger High School.

Pop Culture is the theme of this year's *Pylon*, and you will find fun facts scattered throughout.

Because this yearbook is up-to-date on 2021-22 pop culture, it will be a blast of nostalgia for all of us in the future.

- Jessica Tran & Katie Sandoval

"Having students to help me out with games has been so great. It takes a lot off my plate knowing I can rely on my Sports Med students to take care of the smaller things and alert me to a hurt athlete since I can't be everywhere at once. It has been hard during Covid (and the construction) to let the students have more opportunities, but they have had great attitudes during these difficult times as we maneuver through all the different protocols and schedule changes. My hopes are to grow the program and have more students consistently to help with all sports and even practices. I am excited for the years to come and to inspire students to potentially join the medical field!"

"To me, AVID is a program that helps students achieve their dreams. For many students, that dream is college. For others, it is to find their voice and their place. AVID empowers our students to be the best version of themselves. The program does this with the love and support of the administration, counselors, teachers and students who work together to support the dreams and aspirations of our kiddos."

Nevan, 4 years ago I asked you to study hard, keep your grades up, be active and involved. You did that. Now comes the payoff. You have your choice of colleges. It's a proud dad moment. Keep it up for the next 4 years. Love you kid.

CRISTIAN PITTS

Cristian Jeremiah Pitts
June 28, 2004 7 Lbs. 6 Oz.

My Dearest Son,

As our first born you changed our life from the moment I knew you were to be. The day I held you in my arms for the first time is something that can't be described other than an unconditional love & worry that only a parent can feel. You have brought so much joy, happiness, headaches & precious memories in our lives these past 17 years that I can't wait to see what the future brings in your life & the memories that are made along the way.

You are closing 1 chapter in your life that you will remember for a lifetime & so as this door closes the next one that opens will be even bigger & brighter as you have the whole world in the palm of your hand, it is up to you what you make of it. You have proven us wrong so many times with your determination & knowledge that I know whatever you put your mind to you will excel tremendously. You will experience failure along the way but that will just be a learning experience to keep pushing-remember nothing comes easy. Just know we have always been proud of you even on your worst day we will continue to be proud of you even when you stumble, but know your family will always be here for you when you need a helping hand. We love you more than words can express!

Love,
Mom, Dad & Jayson
