" I remember playing basketball and breaking my pinky finger."

-Tristan Delaney

**" Winning the Kingsville game was amazing. Also winning against Robstown in the last 17 seconds!"**

**-Xavier Silva**

" I will always remember that I have younger softball players looking up to me. Asking for advice and tips on how to play the game. It makes me proud knowing I am able to help others."

- Haley Johnson

"One of my greatest memories was on April 13, 2022 at our softball game against Ingleside. We were down 3-1 in the last inning. We were going strong and brought in 2 more runs. Then one of my teammates hit a home run! It was so exciting and emotional, we gathered around the home plate to cheer her on. She brought home the win for us. I am glad we got to share that super exciting moment together as a team!"

-Alizabeth Garcia

"All the concerts I have performed in during this school year with the Middle School Choir."
