Letter to the Mighty Mission Eagle Class of 2022

Congratulations Seniors! The journey to graduation is often characterized by challenges, but none like the additional obstacles the Class of 2022 has faced. Your perseverance and dedication to your education and future have been inspiring. You have truly earned this milestone and the legacy as the class with the most memorable “comeback” EVER!

There is so much to celebrate and we begin with your **strength**, for it kept you rooted and focused as you excelled the shutdown. Your **resilience** for it kept you strong during the nearly 18 months of enduring online learning and separation from peers. Your **courage** for it did not allow the challenges or even trauma you endured to stop you from flourishing behind the masks. Your **leadership** in returning to in-person learning and getting used to waking up early as well as adjusting to a new workload. Your **compassion** for others was essential in helping each other succeed as we discovered so many “gaps” not only from learning, but also from missing out on typical school activities that have historically defined ‘a high school experience’.

Now, it is time to thrive! Use your strength, resilience, courage, leadership, and compassion to help you evolve into a thriving mindset. Seek new opportunities, explore the world, and elevate your success to that of a true leader that has endured but is now ready to thrive.

We ask you to continue to use your immeasurable perseverance to be visionaries and risk-takers. Continue to seek gratitude before fear, appreciation instead of resentment, and faith to stay focused on your future. Continue to be bold and define your path by making changes in the world with your innovative sense of possibilities.

Finally, I ask you to remember: wherever your journey in life may take you, we hope you will always be safe, enjoy the ride, and never forget your way back home to Mission High School.

And finally, remember: Once an Eagle, Always an Eagle!

Your Principal,

Sandra Rodriguez

A Mission Tradition Since 1979

Being apart of the Mission High Flyers has been one of the most exciting and fulfilling things I have ever done. Dance has been a great part of my life since I was young. So being able to be apart of the Mission High Flyers is a true honor & blessing. I will forever be grateful for this experience.

MARIACHI

I enjoy mariachi because I'm learning to play the guitar and how to sing, which is a lot of fun because I really love music. I am so thankful to have my friends in my life, I love them and they are my second family. Music is always going to be in my heart.

- Angel Rosales

Mariachi taught me a lot of things, but what I liked the most was that I learned about all musical instruments. I am grateful for having joined mariachi, it is one of the best experiences and it makes you a better person.

- Manuel Saldana

Being in mariachi was an amazing experience because I learned new things about music and different types of instruments. Being in mariachi made me more confident about performing in front of crowds and the best part was getting to meet a lot of new people that you can work as a team with.

A new agricultural and horticulture program at Mission Consolidated Independent School District (CISD) will be growing a little bigger this year, thanks to a Global Grant from the Rotary Club. The district has learned that a grant application submitted through the Mission Rotary Club has been approved and is one of only a handful that get funded each year. The Growing Next Generation FARMERS grant will provide over \$50,000 in support of expanding the reach and resources of the district's new FARMERS (Farmers, Agriculturists, Ranchers, Machinists, Engineers, Researchers, Suppliers) program.

MHS DECA participated in many school outreach activities through the school year to boost school involvement, spirit, and awareness. They hosted a Halloween pumpkin display contest, multiple classroom displays throughout the holidays, and a homecoming spirit week/parade. Most importantly, "MHS DECA Donates" hosted drives for our community such as their 'Cereal Box Drive' and hygiene kit donations for 'Mujeres Unidas', a womens shelter. Also hosting a teddy bear drive for the local kids during the holiday season, DECA donated such to the Boys & Girls Club. Lastly, they promoted their organization through a parent outreach, mailing flyers to our community,
