## **Aidan Rains, Editor in Chief:**

This school year really felt like a true return to normalcy since March of 2020. I had almost forgotten what so many of my fellow students looked like, and I'm glad we were able to capture all of their emotions throughout the year. From everything ranging from Pep Assemblies to football games, we almost always had our hands full with capturing events here at Desert View. We captured concerts, competitions, spirit weeks, musicals and plays, speeches, ceremonies, games and tournaments, and so much more, all in the hopes that in the future we will look back at this yearbook and remember all of the events we participated in and the memories we made with our friends and classmates.

To quote Dr. Seuss, "Don't cry because it's over, smile because it happened"

## **Hello Jaguars,**

What a wonderful year this has been! I would like to take this opportunity to congratulate you all on your hard work and accomplishments. From sports, to fine arts, to CTE, to the classroom, you all persevered and showed the world what it means to be a Desert View Jaguar. As you look back at memories in this yearbook, I hope you remember the times that made you smile, as well as the times where you pushed through. Thank you to Mr. Dutiel and the Yearbook crew for always being there to capture every moment of our DV life!

I am honored to have had the privilege of serving as your principal, and to have witnessed firsthand the many ways in which you have grown and flourished as Jaguars. You have shown exceptional creativity, curiosity, and dedication, and have inspired us all with your passion and commitment to making a difference in the world.

I also want to take a moment to thank our incredible teachers, staff, and parents, who have worked tirelessly to support you throughout the year. Their unwavering dedication and commitment to your education and well-being are deeply appreciated, and I know that you have all benefited greatly from their efforts.

In closing, I want to wish you all the best in your future endeavors. Never forget this wonderful Desert View Community that supported and loved you along the way. You are all truly remarkable, and I am confident that you will go on to make a positive impact in the world. Once a Jaguar, always a Jaguar!

# HOMECOMING!

Dedicating the new field

With a new field set for the homecoming game, we saw the vigorous game between Desert View and Cienega. The game started with a special ribbon cutting ceremony, the choir singing the National Anthem, and a speech from our Native American Group! The AFJROTC presented the United States Flag, having a mandatory attendance for the entire WING core to present their arms for the intense match! Everyone in the game did incredible work!

2022-2023

"Playing my last homecoming game on a brand new turf field is an amazing experience that I will never forget. We were excited for months knowing we were going to play on it soon so when the time came, we were hyped and wanted to play a great game and give our supporters a good show as well. Me and my team played great, we had almost 300 yards rushing and the great blocking from the offensive line, allowing me to score 3 touchdowns. It was amazing seeing alumni coming together to cut the ribbon, like I said, I will remember these moments forever", Sean Sierra Jr.

"Going into the first home game of the season felt very cool, especially because it was our first game on our new field", Hector Vallejo

"Having our first game on our field was an amazing experience. It was great to finally have a home game after being on the road all season long. It was amazing to finally have all our fans with us and bring energy for the big game", Miguel Medrano

Having fallen fairly close to Halloween, many students attended the first pep assembly of the year dressed in all sorts of costumes. The student section, accompanied by spider man and a student dressed as Jesus, went all out in spirit with baby powder, silly string, confetti poppers, colored powder cannons, and more. Students competed in a triathlon-esque relay and also raced to wrap students in toilet paper.

# FIELD DAY

Every year the AFJROTC squadrons compete against each other in field day. Cadets play multiple sports such as capture the flag, volleyball, dodgeball, etc.. Volunteers from the National Guard came to referee the sports. This year, 6th Squadron won and will get their squadron and year put on the Field Day trophy. Congratulations!

"Field day has always been one of my favorite days, and has always been a blast. The event challenges you mentally and physically, while you learn how to work together. It really was pretty fun", Linda Rivero

# Dia De Los Muertos

"Dia de los Muertos" also known as Day of the Dead is a holiday tradition that is celebrated in Mexico where families gather up to honor the ones they've lost. This year the normal cross-program performances had to be canceled due to the renovation of the auditorium. Nonetheless, we were still able to perform in front of the library.

**Touchdown... keeping the run time down the Jaguars have done it again winning the game against The Mountain View Lions with a final score of 41-19. It was sure to say that the season wasn't over until we said it was. The Jaguars had a very demanding lead throughout the whole game. There were some ups and downs going into the second half, but it wasn't anything they couldn't overcome to bring home the victory.**

*"The moment we placed third at our very first competition is a feeling I will never forget. We proved that we are more than just sideline cheerleaders and we have built a new standard for cheer here at DV. Being one of the captains of this team, along with Brianna Esqueda, has taught me a new perspective of leadership that I will always cherish. I'm so excited for my senior season, "don't forget, never let your flyer hit the ground!"*

*"Being surrounded by some of the best people I know made this season the most memorable. I appreciate everything I've been taught by this team I've been surrounded with, and especially thankful to my captains Daisy and Brianna, as well as my coaches Wendy, Pam, Shantay, and Klariza for all their dedication and hard work that they've put in."*

With this amazing opportunity and with the help of Daisy Vega we guided and led our team to become the best versions of ourselves! With all the dedication and determination our team has grown so much, I can't begin to explain the fun we had this year. I look forward to continuing my leadership as captain these next two years!"  
-Brianna Esqueda

"Being apart of this team will definitely be the highlight of my high school experience. I'm thankful to have such amazing coaches and captains that have all taught us so much! But one thing Pam has taught me is loyalty, she's never let me down she is always there no matter what the situation is. We aren't just a cheer team we're family and I'm thrilled for next season and the amazing memories we will continue to build. "Sorry I can only count to 8" -Unique Ruiz

# VARSITY GIRLS VOLLEYBALL

The Girls Varsity team performed amazing this season. Every game was filled with back and forth nail-biting volleys that had us on our toes waiting to see the victor. Our seniors this year, Guadalupe Estrada, Miranda Moreno, x, and x, really poured their hearts out into each game. Aces were served, spikes were blocked, amazing recoveries were executed, and plenty of chants were heard throughout the gym.

# Track and Field

*"Track was the first sport I've ever done. It started out as just a hobby for me but then became something greater. It became my passion and showed me that running was the thing I wanted to do for the rest of my life. I didn't think that such a sport could've made such a impact in my life but it did. The sport itself and the team made my high school years so much greater, and I'll always adore the memories I have made throughout the years of being in track."*

## ROAD WARRIORS

The tennis teams were forced to take their show on the road all season as the tennis court renovations were not completed in time for the season.

*"It was a new sport for me but I am thankful that I got to spend it with an amazing group of girls that always made it fun for me. There was no other way I would want to finish my senior year any other way than with girls that accepted me and made me feel that I could be part of an incredible team."*

*"Something that these girls have thought me while being on the team is that having fun during a match was more important than any win or loss. We became a big family of sisters that were always there to comfort each other when we struggled and with that I am very lucky to be part of this experience. I will always have so much love for these girls always."*

# DRAMA

## Into the Spotlight

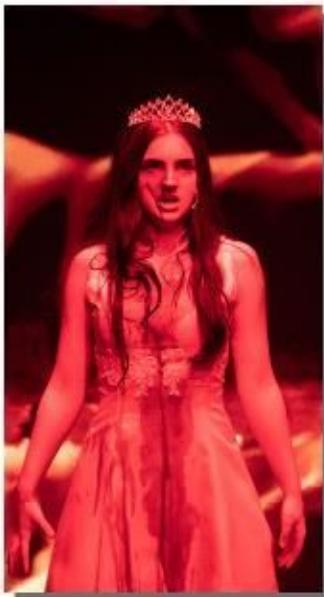

Our incredible drama team put on many performances throughout this year, from musical plays to showcases. Their first performance of the year was Carrie. They practiced for many weeks, and executed it perfectly with a total of 4 showings. Later in the year they hosted an open mic night. Many people showed off their talents and humor through a series of mini performances.

"Working on Carrie was an eye opener and helped with breaking out of my shell by putting myself out there with talents I never knew I could achieve"

Created "The process was difficult but worth the risk, as we were able to produce a show we never thought we could achieve. We proved ourselves wrong and achieved our goals."  
- Jio V.

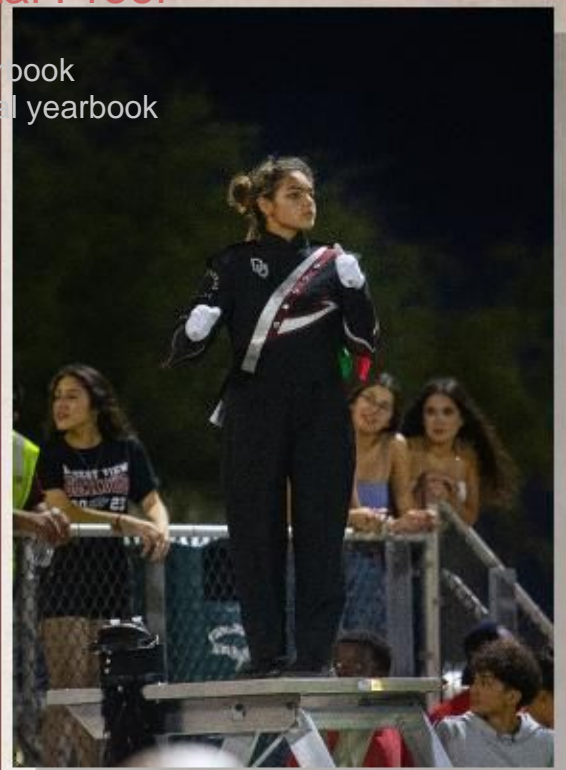

## BEHIND THE SCENES

Behind the actors and actresses is an amazing tech team. They are in charge of the set, costumes, makeup, sound, and lighting. A lot of thought and care goes into making sure everything runs smoothly. They practiced timing their skills in order to efficiently run things backstage on d-day. Even with a few technical errors the team was able to quickly and efficiently fix them. Carrie was the debut of their new LED screen, which was able to enhance the show by displaying the backdrops for all scenes. For open mic night, they let their creativity flow and went all out for sets and costumes.

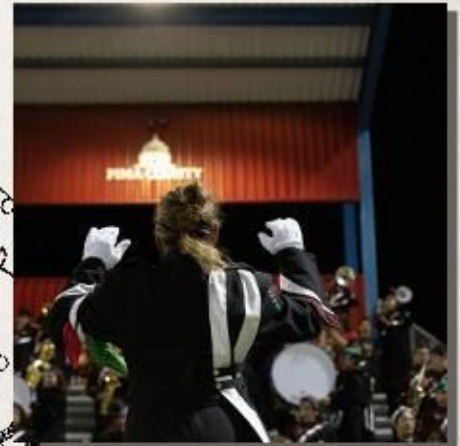

# Marching Band

"Film and TV is a class where everyone can learn at their own pace. And not only learn how to edit but how to do podcasts, broadcasts, and get comfortable showing the videos you make. Looking back on the videos I made I remember thinking the were really dumb and tons of other kids thought the same of their own videos but as time went by everyone got comfortable showing their videos. So when you think about it, Film and TV is really a safe space for students to express themselves." -Athena Roberts

During the last school quarter, students painted the black walls with green paint to create a green screen for future projects.

## Your Mommy

"My beautiful girl, every day you make me proud! You have taken on different challenges throughout these years with intelligence and grace. The future will hold many new adventures, and I'm so excited to see you continue to persevere and succeed!

Thank you for being such a wonderful role model to your little sister. You know she looks up to you, even when she's looking away. The lessons you've taught her, and the examples you've set are priceless life lessons.

God has given us many blessings, and one that I thank him for everyday is bringing us together.

I love you so much!

Love,

Mom or Mommy (when you want something ;)"

Marissa,

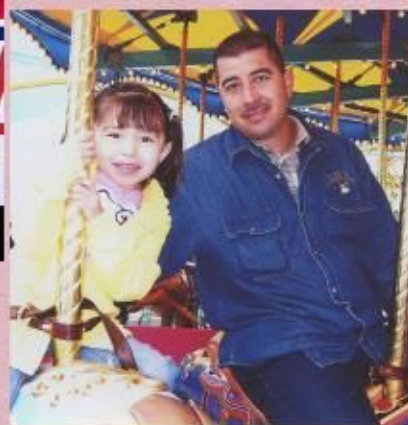

you make us proud in so many ways. You've received so many awards and trophies before you were a senior. You showed us giving up was not an option, and to go the extra mile to succeed. Now as a senior, it's great to see the fire in you to make the best effort. From being the first golfer at Desert View to qualify for the State Championship, to finishing third at State for DECA, and then competing at Nationals in Atlanta, Georgia.

Recently, you became one of only five nominees in Arizona to receive the US Presidential Scholar Award in CTE. Words can't express how proud we are of you as a daughter, and as a student with so many accomplishments. Your dedication and determination to overcome obstacles to reach your goals is a beautiful thing to witness.

God has blessed us with you. You've made these last four years of high school memorable and we know you'll miss it but you are on to the next chapter in life - college! (GO WILDCATS) Never stop learning. Life goes fast, don't forget to live. Thought you should know - We love you so much!! You made everyone in our family proud. We are sure your nanas are looking down from heaven with smiles.

Love, Mom and Dad

Marissa Partida

Your goofy sense of humor always brings a smile to all of our faces. Your kindness and compassion towards others is so genuine. Your persistence and boldness to go after what you want is unwavering. We know in our hearts you will continue on your pathway with confidence and resilience, whatever that next great pathway is Rene Rigo Ochotorena Just know that God and your family are right there with you forever and always!!
